

Technology Club

Want to explore coding, filmmaking, animation, or any topic that has to do with media and technology?

Join us in the Tech Lab in Room 216 on certain Thursdays (schedule to be announced).

- Share ideas with other students!
- Use our animation stands and greenscreen to experiment!
- Work on your own project!
- See demonstrations in game design, editing, special effects!

If you are interested in joining, contact Mr. Plante:
