

Daily Bulletin

Tuesday, September 17, 2019

The Late Buses starts TODAY (Tuesday, September 17)! There are 2 late buses: 1 for Needham students and 1 for Boston students. Both buses are scheduled for High Rock at 2:45 at the main entrance. If you are taking the late bus, please make sure you are at the entrance at 2:45.

The late bus runs on Tuesdays, Wednesdays and Thursdays only.

A reminder to students that if you are staying after school on Tuesdays, Wednesdays and Thursdays you must be in a classroom with a teacher doing homework, or in the library with Mrs. Vacarro participating in the day's library event.

From the library: Today in the Library after school: Building projects will be with Legos. Tomorrow, Wednesday there will be card games. And on Thursday, students will be offering suggestions for the reading list for High Rock's book contest. If you are a reader, Mrs. Vaccaro would love to hear your ideas for the books that should be on this year's list. All are welcome.

A message from the Staff at Sunita Williams School to students who went to Hillside: The staff at the new Sunita Williams school asks that you do not visit at this time. It is not that the staff does not want to see you, but many many middle school students have been visiting at dismissal time and it has made dismissing the current students safely a challenge. Thank you for your help!

Mark your calendars! Be on the lookout for Student Picture day forms. They will be distributed in advisories TOMORROW 9/18. You can order and pay online by going to mylifetouch.com and use code: MV039029Q0
